HIRE FEE REVIEW

As mentioned in our last Newsletter, our last review of the village hall hire fees was in Spring 2025. Due to the continued rise in costs New Buckenham Village Hall Trust have made an increase in hire fees which will take affect from 1st January 2027. All fees are per hour and remain subject to a minimum two hour hire.

Whole Hall	£25.00
Auditorium	£15.00
Large Meeting Room	£8.00
Small Meeting Room	£4.00

For further fees please see our website.

Our Auditorium floor has been refurbished this month. Please help us look after the floor and keep it in a good state. Please refrain from dragging furniture across the floor – use the trolleys provided. When using fitness equipment please take care to use heavy equipment on mats rather than directly on the floor.

Please remember when you hire New Buckenham Village Hall you are responsible for leaving the hall as you would wish to find it. We have had some incidents of the hall being left untidy after hire. Common complaints have been food and debris left on the floor and dirty crockery being put back in cupboards.

We have also found sewing needles and pins on the floor – please take care to tidy these away as they could cause harm to our younger users and the ballet students dancing in ballet shoes or bare feet.

If you have any issues at the hall, please do not hesitate to contact Stevie on either 07469715517 or bookings@newbuckenhamvillagehall.co.uk

You are also responsible for securing the hall after your hire, unless overlapping with other groups. Please don't forget to lock the kitchen door and close side doors if used. The main doors should be used as the initial point of access for all visitors to the hall. The side door can be used for events and unloading. The fire door should not be used as a regular access point.

A polite reminder to all hall users: Our Village is **20mph** throughout.

We have received fewer complaints recently and we would like to thank all our users and visitors for slowing down in our village.

We have very few pavements and a mixed population of elderly, and young people, dog walkers, cats, Rambling groups and wheelchair users. Please be mindful of your speed in our village, be aware of our community and continue to pass the message on to all who attend your groups/classes.
